### RESPONSIBILITY OF THE DIRECTORS

The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

### RECOMMENDATION

The Board believes that the resolutions proposed in the notice of the AGM are in the best interests of the Company, the Group and the Shareholders. Accordingly, the Directors recommend the Shareholders to vote in favor of all the resolutions to be proposed at the AGM (or any adjournment thereof).

### MISCELLANEOUS

The English text of this circular shall prevail over the Chinese text in case of discrepancy.

Yours faithfully,  
For and on behalf of the Board  
**China Carbon Neutral Development Group Limited**  
**Zhong Guoxing**  
*Chairman*

This explanatory statement contains the information required under Rule 10.06(1)(b) of the Listing Rules. Its purpose is to provide the Shareholders with information reasonably necessary to enable them to make an informed decision on whether to vote for or against the ordinary resolutions to be proposed at the AGM in relation to the New Repurchase Mandate.

## **1. REASONS FOR REPURCHASE OF SHARES**

The Directors have no present intention for any repurchase of Shares but are seeking the grant of the New Repurchase Mandate to give the Company the flexibility to do so if and when appropriate. The Directors believe that it is in the best interests of the Company, the Group and the Shareholders to have a general authority from the Shareholders to enable the Directors to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets and/or its earnings per Share and will only be made if the Directors believe that such repurchases will benefit the Company, the Group and the Shareholders.

The New Repurchase Mandate, if granted, will become effective from the date of passing of the ordinary resolution granting the same until the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by law or the Articles to be held; or (iii) the revocation or variation by an ordinary resolution of the Shareholders in general meeting.

## **2. SHARE CAPITAL**

As at the Latest Practicable Date, the issued share capital of the Company comprised 642,960,000 Shares.

Subject to the passing of the ordinary resolution granting the New Repurchase Mandate and on the basis that the issued share capital of the Company remains unchanged as at the date of the AGM, the Directors would be authorised under the New Repurchase Mandate to repurchase, during the period in which the New Repurchase Mandate remains in force, a maximum of 64,296,000 Shares being 10% of the aggregate nominal amount of Shares in issue as at the date of the AGM.

**3. FUNDING OF REPURCHASES**

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the Articles and the applicable laws of the Cayman Islands.

Pursuant to the New Repurchase Mandate, repurchases will be made out of funds of the Company legally permitted to be utilised in this connection, including profits of the Company or out of a fresh issue of Shares made for the purpose of the repurchase or out of share premium account or, if authorised by the Articles and subject to the Companies Law, out of capital of the Company and, in the case of any premium payable on the repurchase, out of the profits of the Company or from sums standing to the credit of the share premium account of the Company or, if authorised by the Articles and subject to the Companies Law, out of capital of the Company.

The Directors do not propose to exercise the New Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital or gearing position of the Company which, in the opinion of the Directors, are from time to time appropriate for the Company. There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the annual report of the Company for the year ended 30 June 2025) in the event that the New Repurchase Mandate was to be exercised in full at any time during the proposed repurchase period.

**4. INTENTION OF DIRECTORS AND CONNECTED PERSONS TO SELL SHARES**

None of the Directors nor, to the best of their knowledge and belief, having made all reasonable enquiries, any of their respective associates (as defined in the Listing Rules), has any present intention, if the New Repurchase Mandate is approved by the Shareholders, to sell any Shares to the Company or its subsidiaries.

The Company has not been notified by any connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell Shares to the Company, or that they have undertaken not to do so, in the event that the grant of the New Repurchase Mandate is approved by the Shareholders.

**5. SHARE PRICES**

The highest and lowest prices at which the Shares have been traded on the Stock Exchange in each of the 12 months preceding the Latest Practicable Date were as follows:

	<b>Highest</b> <i>HK\$</i>	<b>Lowest</b> <i>HK\$</i>
<b>2024</b>		
October	0.365	0.285
November	0.295	0.245
December	0.340	0.243
<b>2025</b>		
January	0.310	0.255
February	0.295	0.265
March	0.335	0.270
April	0.310	0.275
May	1.700	0.290
June	1.940	1.530
July	1.760	1.540
August	1.580	1.010
September	1.220	0.920
October (up to the Latest Practicable Date)	1.190	1.060

**6. SHARE REPURCHASES MADE BY THE COMPANY**

No repurchase of Shares has been made by the Company during the previous 6 months (whether on the Stock Exchange or otherwise).

**7. DIRECTORS' UNDERTAKING**

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make repurchases of Shares pursuant to the New Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

**8. EFFECT OF TAKEOVERS CODE**

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (within the meaning of the Takeovers Code), depending on the level of increase of the Shareholders' interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code for all the Shares not already owned by such Shareholder or group of Shareholders.

Assuming that no further Shares will be allotted and issued or repurchased from the Latest Practicable Date to the date of the AGM, on exercise in full of the New Repurchase Mandate, the number of issued Shares will decrease from 642,960,000 to 578,664,000.

As at the Latest Practicable Date, to the best of the knowledge, information and belief of the Directors and on the basis of the shareholding of the Company as at the Latest Practicable Date, the Directors are currently not aware of any consequences which will arise under the Takeovers Code as result of any purchase of Shares made under the New Repurchase Mandate, since none of the substantial Shareholders would hold 30% or more of the shareholding of the Company after the repurchase.

The Directors have no intention to exercise the New Repurchase Mandate to such an extent that will result in any mandatory offer being required under the Takeovers Code or will result in the number of Shares in the hands of the public falling below the prescribed minimum percentage of 25%.
